

ENCAPUCLEAN GREEN DS

*Double Strength Low
Moisture Encapsulation
Carpet Cleaning Solution*

ENCAPUCLEAN GREEN DS

Designed to suspend and release soils from carpet during cleaning. Prevents wicking, yellowing, and recurring stains due to faster drying times.

Contents: One U.S. Gallon (3.79 Litres)

- ✓ Residential Carpet
- X Commercial Carpet
- X Encapsulation Cleaning
- X Bonnet Cleaning
- 7.5 to 7.8 RTU pH
- X = Primary Use ✓ = Secondary Use

Based on the latest technology in green surfactants and encapsulating polymers, Encapuclean Green DS suspends and releases soils from carpet during cleaning. The polymer attaches to carpet soils and fibers and then dries to a very hard polymer. When vacuumed, the dry brittle polymer fractures away, taking the attached soils with it and leaving a clean non-sticky formula behind. Encapuclean Green DS employs a new exclusive, proprietary non-hygroscopic polymer that allows for even faster drying times than other encapsulation products.

Carpets cleaned with Encapuclean Green DS dry in less than an hour preventing the wicking, yellowing, and recurring stains that often plague commercial carpets. Subsequent vacuuming performance is enhanced with carpets actually getting cleaner with each vacuuming.

Encapuclean Green DS has been formulated in accordance with the latest environmental guidelines for green cleaning chemistry with the very latest in surfactant and encapsulating technology. It cleans with a fresh, "green approved" fragrance that your customers will love. In addition, its new ultra-concentrated formula provides twice the coverage of conventional encapsulating cleaners.

Encapuclean Green DS can be safely effectively used with cylindrical counter rotating brush, rotary brush or bonnet, oscillating, or orbital agitation machines for high performance low moisture cleaning.

DIRECTIONS:
Dilute 1 to 32 (4 oz. per gallon hot water).
Dilute 1 to 16 for extra-heavy soil.

Application for brush and vacuum (encapsulation)
Spray solution consistently over section of carpet and brush with rotary and carpet brush or counter rotating brush machine. Allow to dry and then extract with vacuum. Effective on all soil conditions.

Application for bonnet cleaning
Spray mixture lightly over an absorbent bonnet and over a section of the floor to be cleaned. Place bonnet under rotary machine and move over area until clean. Change bonnets frequently and place in plastic bag to keep moist until laundered. For use with medium to heavy soil.

Application as prespray for hot water extraction
Dilute 1 to 8 (16 oz per gallon hot water). Spray solution consistently over section of carpet and extract as normal.

CONTAINS:
Water (CAS # 7732-18-5), Proprietary Anionic Polymer Blend, Proprietary Melon Apple Fragrance (see www.ifraorg.org), 1,2 Benzisothiazol-3(2H)-one (CAS # 2634-33-5).

INSTRUCCIONES:
Diluya de la 32 (4oz por un galon de aguacailinte)
Diluya de la 16 si esta muy sucia.

Aplicacion para cepillado y aspirado
Rocíe de la solución sobre el área deseada y cepille con la máquina rotatoria o la máquina que vaya a usar. Permita que seque y luego aspire. Es efectivo en todas las áreas sucias.

Aplicacion para limpieza con bonnet
Rocíe de la solución levemente sobre un bonnet absorbente y sobre la sección del piso que desea limpiar. Coloque el bonnet (material absorbente) debajo de la máquina rotativa y muevalo sobre el área hasta que quede limpia. Cambie los bonnets con frecuencia y ponga los en una bolsa de plástico para que se mantengan húmedos hasta que se laven. Este método se presta para suciedad mediana o pesada.

Aplicacion para la extracción de agua caliente
Diluir 16 onzas por galon de agua caliente. Rocíe la solución consistentemente en la sección de la alfombra y extraerlo de forma normal.

IMPORTANT NOTICE TO PURCHASER: Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. ATENCIÓN!

Mantener fuera del alcance de los niños.

INDICACIONES DE PELIGRO:
Provoca irritación cutánea. Provoca irritación ocular grave.

CONSEJOS DE PRUDENCIA:
Lavarse bien la cara, las manos y la piel expuesta después de la manipulación. Llevar guantes/prendas/gafas/máscara de protección. EN CASO DE CONTACTO CON LOS OJOS: Aclarar cuidadosamente con agua durante varios minutos. Quitar las lentes de contacto, si lleva y resulta fácil. Seguir aclarando. Si persiste la irritación ocular: consultar a un médico. EN CASO DE CONTACTO CON LA PIEL: Lavar con agua y jabón abundantes. En caso de irritación cutánea: consultar a un médico. Quitarse las prendas contaminadas y lavarlas antes de volver a usarlas.

AVERTISSEMENT!

Tenir hors de portée des enfants.

MENTIONS DE DANGER:
Provoque une irritation cutanée. Provoque une sévère irritation des yeux.

CONSEILS DE PRUDENCE:
Se laver le visage, les mains et toute surface de peau exposée soigneusement après manipulation. Porter des gants de protection/ des vêtements de protection/ un équipement de protection des yeux/ du visage. EN CAS DE CONTACT AVEC LES YEUX: rincer avec précaution à l'eau pendant plusieurs minutes. Enlever les lentilles de contact si la victime en porte et si elles peuvent être facilement enlevées. Continuer à rincer. Si l'irritation oculaire persiste: Consulter un médecin. EN CAS DE CONTACT AVEC LA PEAU: laver abondamment à l'eau et au savon. En cas d'irritation cutanée: Consulter un médecin. Enlever les vêtements contaminés et les laver avant réutilisation.
